DETERMINATION OF ELIGIBILITY FOR THE NATIONAL REGISTER OF HISTORIC PLACES

for the Purpose of the Statewide Transportation Enhancement Program Application

The State Historic Preservation Office staff has completed its review of the following historic resource:  
1928- 1930 Nash Automobile Dealership, Houston, Harris County, Texas

X The resource is ELIGIBLE for listing in the National Register of Historic Places under the following criterion/criteria:

- X A: The resource is associated with events that have made a significant contribution to the broad patterns of our history. *See additional comments below.*
- \_\_\_\_\_ B: The resource is associated with the lives of persons significant in our past.
- \_\_\_\_\_ C: The resource embodies distinctive characteristics of a type, period or method of construction, or represents the work of a master, or possesses high artistic values.
- \_\_\_\_\_ D: The resource has yielded or may be likely to yield information important in prehistory or history.

\_\_\_\_\_ The property is NOT ELIGIBLE for listing in the National Register of Historic Places. See additional comments below.

Additional comments:

The 1928-1930 Nash Automobile Dealership building is eligible for listing in the National Register of Historic Places, under criterion A, in the area of commerce, as the only remaining example from the first half of the twentieth century of an automobile dealership and distribution headquarters, in what was historically an automobile dealership and services district. The period of significance for this property dates from 1928 to 1959.

Projects funded by the Statewide Transportation Enhancement Program with Federal Highway Administration funds should be coordinated with the Texas Historical Commission and must follow the Secretary of the Interior's Standards for Rehabilitation.
